### Competition Format & Basic Rules and Eligibility

Mini Tennis is a fun, modified version of the game, primarily used for players aged 10 and under. Mini Tennis uses shorter rackets, smaller courts, slower/softer balls and simple scoring, to ensure players of all abilities can achieve.

This is a participation event - players should be playing tennis for less than 90 minutes per week and not already playing competition tennis in school or club

Matches can be first to 7 points or run on a timed basis, where all matches start and finish on the sound of a whistle.

After deciding, who serves first, players should serve diagonally, underarm.

Players play out each point following the rules of standard tennis.

Matches can be played on badminton courts, adapted tennis courts or you can mark out Mini Tennis courts on a playground using throw-down lines.

Players have a first and second serve and the ball should not bounce before it is hit.
